- Social reps meeting: 21st August - Freaky Friday, compass catering, charades, portrait making other activities. Winning duo costumes. JCR members can bring 1 non-JCR plus one (no drink tickets)
- Bingo (September 5th) - drink tickets, dress up as elderly people - Indie won't be here in September

- 12th September - Social Ball (big dog, theme undecided) - nothing to wear this to as theme? - can ask college (ocr, posters, asking in person)

- Parents weekend and charity ball: Bea has asked the Bis for price estimate: cheaper = $5850, or $8450 for 130 people, tickets would be $50-$70 for nonmembers cheaper for JCR members. Bis do not want us to bring own food/catering.

## 5. Upcoming Events

- Pub night after capture the flag (dress as childhood idol) - Railway, sober reps stay till end of event - in contact with Austin and Wright colleges
- Events for med students during break?
- Olivia doing event form for clothing swap - open to everyone (not just members)
- Terry organising bbq to coincide with clothing swap - will meet with Tian (25th) - JCR members only

- Rachel will start form for capture the flag
- Bea: $55-75 tickets for charity, Cole's (already asked) and Bunnings to be asked for donations, anything that can be auctioned off at ball, theme = Bright and Bold, 6-10pm, cake or cupcakes? Cupcakes make dietary requirements easier
- From Bea: I didn't take down notes for the parents weekend stuff (sorryyyy) but what I can remember is:

  - getting form filled out (how and to who)

  - prizes for scavenger hunt

  - what activities when
- Tess needs help with forms - Tian will help, scavenger hunt prizes? Favourites box or block of chocolate? Ryan - just dance as activity? Bbq, just dance, scavenger hunt, trivia as potential activities for parents weekend. Talk to Hanne about trivia or Melana (avoid repeating or want to repeat questions)
- SFK - 1 person for each category at least, Hanne will help judge, meeting for mass participation will be organised for Saturday
- Ask RLs about Block Challenge
- MBPT - Bailey hasn't heard anything about main events - Futsal and Volleyball running regularly
- Newsletter - James has seen form will work on it, Terry will help James

## 6. Other Business

- Jaz wants college chickens - reduce food waste, sell JCR eggs - big upfront cost (fencing) - Andi's concern, people will mistreat chickens - locked coup? Safety of chickens and residents needs to be considered. Haley dissents - worried it will become lasting issue for future JCR committee, Jo probably won't approve
- Proposal: contingency plan, procedure for caring and handover of chickens - consensus from meeting attendees
- James: if fencing is staked into the ground becomes grounds keeping issue not college or JCR
- Subcommittee for chickens Jaz leading with Olivia + other committee members helping - Jaz will make group chat

- health and wellbeing (Bede) - med stressed for exams, can JCR do anything? Helping at study nights. Borrow Austin page therapy dogs? Or from student therapy team? - Bede will talk to office. Andi is petsitting, may be able to bring dog in. RU Ok day - wellbeing day? $500 pizza party still hasn't been used yet. Counseling doing tips for students, free food etc. Can we halve the $500 and have 2 pizza events?

- Jerseys on the way, maybe not before charity ball - patches had to be redone, waiting for them to be shipped - 6 extra for charity ball - can we ship them earlier??

## 7. Past Events

- Low turnout at board games night - sugar free drinks? Healthier snack options next time?
